ODUBO TARI FREZUOGHA

ELECTRICAL ENGINEERING GRADUATE / FRONTEND WEB DEVELOPER

Okaka, Yenagoa, Bayelsa | 080 6639 2197 | tariodubo@gmail.com

PROFESSIONAL SUMMARY

First class graduate of Electrical/Electronic Engineering with a knack for solving complex problems and an abnormally high level of attention to detail. Was introduced to programming for the first time in my second year during my undergraduate studies. There were so many other courses to study for at the time so I went into programming full time after graduation and I really love it. Continuously working and learning everyday to get better and have experience.
